

“Ark Art” Night

Noah’s Ark second annual “Ark Art” Night is scheduled for Thursday, November 5, 2009. It was such a success last year that it was a unanimous decision to add it to our yearly events.

For all of our new parents, “Ark Art” Night is a parents only night from 7:00-8:30 P.M. The children’s artwork is displayed; we have delicious appetizers and hot-spiced cider topped off by a silent auction. Last year we had dinner and show tickets, horseback riding lessons, gift certificates, spa certificates, ski passes, movie tickets, gift baskets galore and MORE. We were able to raise \$5,000 after expenses and all had a great time.

We are putting it out in the community that we are requesting donations from local businesses. If you have a business, work for a business or know someone who runs a business who would be willing to make a donation of a product, service or certificate we would really appreciate your help. The teachers have been out in their spare time passing out Ark brochures and asking for donations.

Be sure to mark your calendars and line up your babysitters for our big night. Friends and other adult family members are also welcome to attend.
