

Around the Ark

Please Be My Valentine!

Hearts and flowers are in style around the Ark as we teach the children caring and sharing with the arrival of Valentine's Day. The Valentine means "I love you" and "Will You Be My Friend?" and that's what we will be talking about during this month. February is a time for fantasy too and we can be princes, princesses and even frogs in our imaginary and far away places.

Our focus this month will also be on the beauty of the rainforests. Why is it called a rainforest? How is it different from our forest? Who lives there? Can we go to a rainforest? Be prepared for questions, questions, questions!

February is Dental Health

February Fun Fridays

Friday, February 2

It's Groundhog Day

Friday, February 9

National Pizza Day

Friday, February 16

Chinese New Year

Friday, February 23

How are you feeling?

Month . We will be talking about the Tooth Fairy, Mr. Sugar Bug and Mr. Healthy Food. We'll practice brushing our teeth and learning about "good dental hygiene" from **Sala Dentistry** during Dental Health month

Our colors for the month are purple and pink and of course our shape is the heart. President's Day is coming too, so our month is full of fun! We'll be learning about China and a special food tasting is planned plus our artist for the month is Leonardo da Vinci .
Busy, busy!!

Birthdays

Birthdays

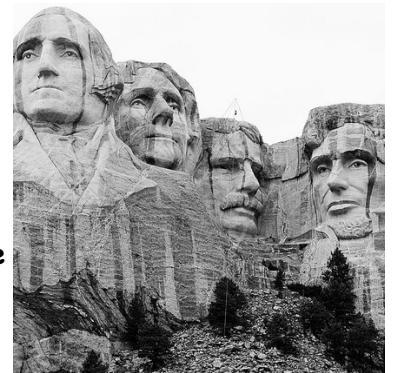

Spring is the time for birthday parties among the children. Please be sure and dig deep in your parent files so you don't miss your child's invitations. Also, please be sure to contact the parent of the birthday child. Parents get busy and forget and then planning is an issue for the parent of the birthday child. It's almost more important for the par-

"Noah's News is Good News"

February 2018

Special points of interest:

- ☺ Public School and Noah's Ark is CLOSED on Monday, February 19 for President's Day.
- ☺ Please put your child's name on all outer garments and on all sharing coming to the Ark.
- ☺ Be sure the office has ALL of your current phone numbers. We need to be able to reach someone every-day.
- ☺ Coats Please! Everyday, plus hats, gloves, snow pants and boots if it is snowy. We go outside everyday!

"Myprocare.com"

We are loving our new Procare system and everyone is getting into the swing of the fingerprint sign in/out. Almost :) everyone loves the "auto" withdrawal. Life is so busy and this helps to avoid the LATE FEE charge. The feedback from the parents is so very positive and that is what we like.

Remember that you can check your account on "Myprocare.com" any-time, pay your account on this site or just slide your card at the front kiosk.

Questions or problems...bring it to our attention.

No Valentines Please!

Valentine's Day is quickly approaching and we wanted everyone to know that we ask that the children not bring valentines to Noah's Ark. Years and years of experience has taught us that it is hard on everyone, parents and children alike. Parents struggle the night before trying desperately to get their children to remember the names of the friends in their group at school. If the children do remember names, sometimes they are hard to understand and many names are left out, much to the despair of the children waiting for valentines. Too often also, the children

Summer Registration is Coming!

Mark your calendars because registration for various programs are quickly approaching.

Our school age summer program begins on Monday, June 12 for all children first through fifth grade. We average about 30 children in our groups with 4 staff members. This program is held in Peavine Elementary School for 8 weeks during the summer. We have full time and part-time spaces available and plenty of space for all. Registration forms will be available in March.

Also, coming in March is registration for our Before and After School Program for the Fall of 2018. If your child will be in first through fifth grade at Peavine, Mamie Towles, Elmcrest, Grace Warner or Rollan Melton and you need after school care you will want to

"Our Parents have Talent"

It is always a very special time when we have parents visit the center and share with the children. We have had hairdressers, musicians, dancers, story tellers and more over the years. Do you have a special talent or hobby that you would like to share? Don't be shy. We would love to have you and it would be so special for your little one Just check with Colleen or Tiff and we will put you on the calendar.

Communication

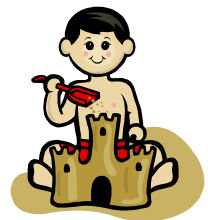

SHARING

Just a reminder regarding sharing. The COLOR groups share on Monday and the SHAPE groups share on Thursday. Please be aware and remind your children that their sharing has to fit "in the bucket" with 9 other toys. No guns or war toys PLEASE.

prepare all of their valentines, neatly stack them at home and eagerly await the special day. By the time they get to school they are so attached to them that it is heartbreaking to try to get them to understand that they have to give them away. So, no valentines please! We'll be celebrating on Valentine's Day, Wednesday, the 14th. We will be coloring, cutting, pasting and painting hearts of all shapes and sizes for everyone on your child's list. So don't worry. We have it covered! If you want to send a treat, please be sure that there are NO NUTS!

register for this program. Space is very limited in this program, especially transportation, so be ready to register as soon as possible. **Information will be posted in time for everyone to participate. We offer part-time A.M.'s and P.M.'s for 2018.**

Registration will also take place for the Preschool program for both Summer and Fall, 2018. Again, space is limited as we try to keep our groups at 10. A non-refundable deposit of half the first week is required to hold your child's place. Payments will be automatically withdrawn when forms are turned into the office. Questions?

Oh, my gosh...Summer is Coming!
