

Around the Ark

Ringling in the New Year!!

Happy New Year! We are ready for a fun filled 2019, hoping for snow and more snow! We are excited for the New Year and looking forward to lots of fun. Did you make a resolution? How about more time for fun with family?

We will start the children off this year talking about our bodies, identifying parts and learning how to keep them strong and healthy. Knowing their knees from their elbows is important. We also want the children to know that putting good food into our bodies, exposing our bodies to clean fresh air and resting our bodies with a good night's sleep will keep us happy and smiling all the day. We love smiles.

Our lessons this month focus on the far away lands where snow shoes and mittens are everyday attire. Learning the

facts of winter temperatures is a little easier when we have lots of snow instead of sunshine and chilly temps. There is so much to learn from the snow and snowflakes. Where do they come from and how do they get their pretty shapes. Can we cut snowflakes?

Our artist for the month is Andy Warhol, our colors are black, white and gray, and our shape is the rectangle. Our letters are M,N, and O and "O" are we going to have lots of fun.

ProCare Information

We are loving our ProCare system of enrollment and billing. Hopefully all of our parents are feeling the same.

A few tips to remember:

If you cannot sign your child in or out on the kiosk, **please check with the office**. It means that signing in or out was not completed either in the AM or PM.

Every person signing a child in or out of the center needs to be registered in the system. Please check with the office if you are not in the system.

If your fingerprint is continually not working, please check with the office so that we can give you a **bypass code** to make it easier for you and less time consuming.

You can monitor your childcare billing account on **"Myprocare.com"**. Payments can also be made on **"Myprocare.com"**.

Payments on any card can be made on the sign in/out kiosk before the office initiates auto-pay.

Please take the time to read messages noted on the kiosk.

Parking, Parking, Parking

We have had many complaints about how some parents are parking. Please be considerate of others and park within the marked spaces. If you drive a big truck or SUV be careful not to take up more than one spot during our busy pick up and drop off times. **Please do not park at an angle!** Also, there is **NO Parking** along the curb behind the allocated parking areas. This is very dangerous to everyone. There is a reserved area

on Grandview for "Bus" parking. Please keep this area clear as the busses come at various times.

We have 4 spots marked for pick-up and drop-off. Please do not leave your car parked in these spaces during the day for any reason. We hope too that this will discourage Peavine parents from parking here long term also. Do not leave purses in unlocked vehicles! **Also, Please do not leave children in the car while you run in.**

No Photos PLEASE

Everyone loves pictures of their child at school interacting with their friends and teachers. However, please remember when requesting to take pictures that **you can only take pictures of your child...**no other children. We have permission slips on file but some parent prefer that their child not be photographed. Please check in at the office if you are going to take photos.

Items for Sharing!

Please remember when your child chooses an item for sharing that it needs to fit in the bucket with at **least 9 other** toys brought by the other children. The sharing items are **GROW-ING**. Sharing items need to be unbreakable and fit into the sharing bucket. Also no masks, weapons or war toys **PLEASE!!**

Schedule Changes

Over the holidays we had several questions come up regarding the children's schedules and tuition. Hopefully this will clarify things for everyone.

You are charged according to the schedule you choose for your child whether your child attends or not.

We are making every effort to be flexible with schedules to meet parent needs. If you need to change your child's schedule you need to check with the office to see if that schedule is available. Schedule changes can only be made for permanent changes and must be made at least one week in advance. **We are not able to alter schedules for holidays or vacation times such as Christmas or Easter.** For example, if your child normally attends full time we cannot change your child to mornings only for the week of Easter.

We have also have had questions regarding a child being absent for an extended period of time.

*Tuition is expected to reserve your child's space whenever they are gone.

*If a child is withdrawn and returns the registration fee of \$100.00 is charged. However, please note that we cannot

guarantee your child's space unless it has been reserved with payment. We cannot do this for Christmas or Easter school vacations.

School-age children also have a fixed schedules but are offered additional time when school is out early or closed for a period of time. Forms are sent home for sign-up for this time and parents are charged accordingly regardless of a child's attendance. **Please call Colleen with ???**

**Full-time? Part-time?
Schedule changes!**

Boots, Mittens, Snow Pants, Hats.....HELP!!

Please be reminded that we will be going outside everyday to play **no matter what the weather!** Please send your child for the weather. If it snows we need boots, snow pants, gloves, hats and scarves. If they are not dressed properly they get very cold and they get very wet and muddy. We can always take it off if the child is too warm. It is very hard to let half of the children play in the snow when it sticks and keep the

other half on the side walk or in the center.

We go outside everyday! The children need warm clothes everyday. We cannot stress this enough. Please dress your child for the weather!
